

THE TEAM

Murphy Sam and Jodi blends role defining arcs with pop culture and listener participation to create an emotional connection every morning.

MURPHY

A man of many names: Mr. Safety, father of two and husband to Jodi. Knew Sam before he met Jodi - and only one of them was good enough to marry! He's the first to try new tech and is obsessed with music.

Mr. Safety

JODI

Our leading lady and the heart of MSJ. The everyday working mom just trying to juggle it all! She keeps the female perspective alive and well. A country girl at heart, and completely addicted to pop culture.

SAM

Sam brings the laughs to your mornings with his cynical and sarcastic view on the world. A single dad of 5 great kids and almost as many exes. Don't let his tough shell fool you; underneath all those layers, Sam *does* have a heart.
